Step into adulthood the Japanese way!

Welcoming 20 & 21 year-olds for a once in a lifetime celebration

"SEIJIN-shiki" is the Japanese coming-of-age celebration, celebrated every January across Japan. It is an opportunity for the community's newly emerging young adults, SEIJIN (成人), to be recognized.

If your birthday falls between January 1999 and March 2001, and live in the USA, we would like to celebrate your coming-of-age. First 200 registered SEIJIN receive SEIJIN certificates!
